Dear Mr. Winstein:

On May 4, 1994 you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 23, 1994 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your calculations for Administrative/Voter Drive and all events EVENT YEAR-TO-DATE totals are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year within the category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct Administrative/Voter Drive and all events EVENT YEAR-TO-DATE totals.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter,  
please contact Robyn Jameson on our toll-free number (800)  
424-9530 or our local number (202) 219-3580.

Sincerely,
